I found SPLC CONNECT to be very beneficial and worth the investment. The buyers we met with were genuinely interested and open to follow up discussions.

– Rick Cunningham, Director, Marketing & Sales, Cube Hydro

Commit to this event. Schedule as many meeting as possible. Attend the roundtable discussions. These were very informative.

– Henri Roberts, Senior Corporate Accounts Manager, Ecolab

SPLC CONNECT is extremely well executed. The application makes it easy to pick, schedule and change meetings. As a supplier, I have been very pleased with how open buyers have been to learning about our product. I made excellent connections both years.

– Jennifer Anderson, Principal, Sustrana

It is an opportunity to get someone’s undivided attention, which is hard to do in the hallway during breaks.

– Brad Miller, Director of Advocacy & Sustainability, BIFMA
