Empowering Companies to Unlock their Sustainable Procurement Impact

Representing $300 B of purchasing power

A membership of 175+ of the best thought leaders and performing companies in a wide representation of industries

Our members are Distinguished Organizations from many sectors ranging from Technology to Education to Food Supply to Municipalities

Constantly striving to improve what we do and the services we provide in an ever-changing world, we believe every problem has a solution

What We Do

• Whether you have in-house support or are a department of one, we are here to share in a collective mission with all our members that the actions we take today will prevent a crisis for organizations and the world tomorrow.
• We lead through our members, through strategic and creative thought leadership.
• United in our goal to enhance the long-term health and vitality of people and the planet
• Save time and money
• Reduce supply chain disruption risk
• Enhance and protect brand reputation
• Find better solutions to meet organizational needs
• Promote more resilient supply chains
• Sustainable Purchasing Consulting

How We Help

• We come together to share ideas, provide clarity on sustainability challenges and coordinate solutions to supply chains around the world
• Membership will help you stand out as a leader, as you work with numerous industry leaders
• Bounce ideas off peers who have navigated the path you are on
• Coaching to create a long-term vision and action plan with measurable goals
• The documents and case studies you need at your fingertips
• Personalized one on one procurement coaching
• Guidance for supplier engagement
• Benchmarking your sustainability efforts
• Peer connections & Practical conversations
• Focused learning & Expert training
• Industry recognition for your sustainability milestones

Pat Hopper
Director, Sourcing | FedEx Services

“As a founding member, FedEx is using SPLC’s Guidance to build on our existing efforts to drive and refine sustainability language into our contracts. The structured approach ensures stakeholders alignment and provides transparency throughout the process.”

Joan Kerr
Director, Supplier Sustainability and Diversity | PG&E

“SPLC keeps us up to date on the latest thinking in supplychain sustainability. We benefit from being part of a community where next practices are shared and challenging issues are discussed in a collaborative forum.”
